The RDC Forum on the Road

Overview

The RDC Forum 1-day events are the industry's only gatherings dedicated to the Remote Deposit Capture Industry. Hosted by RemoteDepositCapture.com, the industry's leading independent resource for all RDC news, analysis, and information (and the Industry's de facto trade association), the RDC Forums will help financial institutions succeed with Remote Deposit Capture.

The RDC Forum covers all aspects of RDC, including Mobile Deposit, Small Business RDC, and Corporate RDC. Detailed and unique insights from RemoteDepositCapture.com will enable attendees to improve profitability, increase adoption, enhance customer value, reduce risk, and exceed your Remote Deposit Capture goals and objectives. If your financial institution offers any form of remote deposit capture, mobile deposit, etc. and you work in proximity to the event cities, you need to attend.

Why Attend a RDC Forum?
